CAR

Triumph	Registration Number:
Year:	Cubic Capacity:

CLASS

Expert
Novice
Note – the route is identical for both Expert and Novice, it is just the difficulty of the section clues and subsequent navigation that differs. Please select which class you wish to be in based upon your official classification (if applicable) or experience level... The organisers reserve the right to re-classify your entry if necessary.

Please note that for the running of this rally we will be attempting to gain an RAC MSA Permit. This reduces Club liability and permits the use of the public road system in this country for this type of event and will obtain for the Club if necessary legal support from the MSA.

To comply with this permit the organisers must have current details about entrants and cars, if changing any of these at any time please let the organisers know, this must be done otherwise the permit could be denied.

We will not wish to see any legal documents for example MOT Certificates, Insurance papers or vehicle ownership details, you will however be required at the start to sign a declaration to state that these documents are both held and current at the time of the event. Refusal could mean exclusion from the event.

I enclose a cheque to the value of £15, being the entry fee for the event, returnable if entry is withdrawn before Friday 30th July 2010. Please make all cheques payable to **Club Triumph Limited**.

Please send completed entry form and entry fee to: **Ellis Stokes, 22 Wroxham Gardens, Potters Bar, Herts, EN6 3DH**. Acknowledgement of your entry will be sent upon receipt of completed entry form and payment.
