

C. T. 2019 Table Top Rally

Section 1

This section starts from the Parking area in grid square [GS] 22 37 of map 153. When finding grid squares, remember 'Eastings' which are the pale blue numbers running across the top and bottom of the map, before 'Northings', numbers running down the sides of the map. [Refer to Rally Navigation notes, page 6 for help with grid squares and page 7 for grid references].

From the Start [TC1] take the shortest route to map reference 230 350.

Pass a railway station on your right side.

Use the following map references:

240 366 262½ 393 221 411 231½ 441½ 262 440

Bear left at the next junction this is the end of the section and Passage Check 2 [PC2].

- Q1 What is the grid reference of PC2?
- Q2 When entering the 4th grid square after the railway station, what did you pass under?
- Q3 What border did you cross after leaving the start & before the railway station?
- Q4 What is the 1st grid square that you pass through?
